Principal Carlos Rodriguez

To the Class of 2023,

Congratulations!!!! It is with great pride and honor that I celebrate this great accomplishment with you, and you should be proud of all that you have accomplished. As you reflect on your high school years, I hope you will remember the many good times you had as part of our Red Raider Family, the friends you have made, the teachers who inspired you, and the challenges you overcame.

As you move on to the next chapter in your life, I wish you all the best. I know you will achieve great things. Most importantly remember that "Once an East Sider, Always an East Sider!!"

Sincerely,

Principal Rodriguez

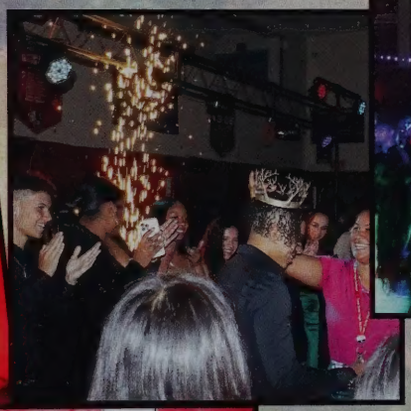
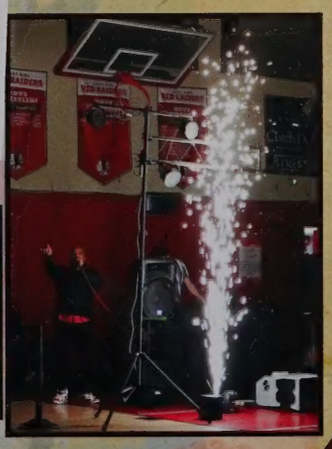
OUR ADVENTURE

It's always more fun with friends at homecoming!





Swim team,

You are so important! You are brave. Kind. And strong. When I think about you. I am filled with love and gratitude to have known you and to be apart of your life. On days when you do not feel your power, please remember that I am always here, ready to remind you of your streght. Now go, make interesting mistakes, amazing mistakes, make glorious fantastic mistakes. Break rules! Leave the world more interesting for being here!

With all our love,
Coach French and Coach Sofia

G Tennis Seniors,

It has been a please to have been your coach for the past three to four years. I truly enjoyed getting to know you as the incredible young men and women you are. Many obstacles stood in our way from roofs caving in, to a pandemic, but your growth as people (and bowlers) continued throughout. I wish you all nothing but the best moving forward with a bright and successful future! If you ever need to reach out, know that my door is always open.
Caputo

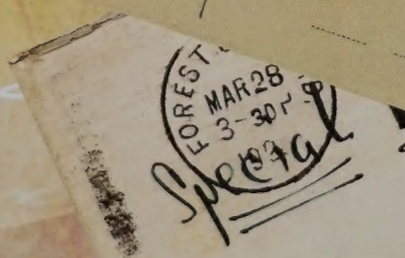
Boys Lacrosse
Gentlemen,
I am exceptionally proud of your dedication to this program. It is your hard work and tireless effort this season to build the new foundation of this program. A house built on sand will not last. Your efforts this year are the concrete that we will build the next generation of lacrosse in the City of Newark on. Quamir, you have dedicated the last four years of your life to Red Raider lacrosse and I will be eternally grateful for that. Changing positions, helping with the youngbloods, and generally being a positive person, I will always be grateful to you especially as the leader you are during my first season as head coach. I always say "three words", but as we see off our brothers into their real life it becomes four:

"One Goal! Together! Forever!"
-Coach Hay

Cheer
Hello My Beautiful Ladies

This was quite a year and I wish we could have more time together, but you have your life ahead of you. I know you all will be great. Remember to always think before making decisions and to never give up. I love you.

Coach kk



Boys Tennis
Congratulations Seniors and Best of Luck. If the last four years have been any indication, I know you'll find much success in your next adventure. Keep swinging and never shy away from challenges as the rest of your lives will be full of successful achievements and failures as well. May they both fuel the passion and desire you all have inside you for greatness. Thank you for allowing me to be a part of your high school careers.

Congrats to the boys soccer team on their historic season with an overall record of 14-3-1 and a NJ.com #15 top 20 end of season ranking. A special Thank You to all the seniors who have played all four years: Raone Soares Da Silva, Alan Martinez, Lucas Zuleta, Kenny Sancho, Joseph Rodriguez, Christopher Cruz and David Martinez. The following seniors were able to add to a great group of talented young players: Guilherme Souza Pardinho, Christian Zuniga Lliguicota, Olger Qhizpe, Darikson Montesinos Canales and Darwin Matute Cruz.

Coach J. Pereira

X-Country / I$O Track$ Field

I want to congratulate my Seniors. I wish everyone the best and continue to be resilient. If you learned anything from being on a sports team, is that persistence pays off. Continue to work hard and success is a matter of time. Failure is not option. Follow your dreams and hope to see you in the future

Coach Rui Martins

Football Team,

To my seniors always remember in times of doubt and uncertainty that you're a only as strong as your confidence if you believe you can, you will and if you think you cant you won't never let that word can't stand alone always add the word YET next to it, changes the way you view CAN'T.

Damon Harrison

Wrestling

As a graduating senior athletes, you have been challenged to set your goals high, stretch yourself, and to be industrious in all that you do. You have also been taught that athletics is a preparation for life and what you learn from being on a team is a microcosom of life. The things your coaches taught you about life are about to begin making sense. You will soon see what they meant. As you graduate, don't forget what you have been taught both on and off the playing field. Be a leader among family and friends. Be a leader in your community or on your campus. Be a responsible citizen and a good representation of all of those who have invested their time to prepare you for this point in your life. Congratulations to Jose Martinez, John Johns and Shawn Cartajena. You have laid the groundwork for our future wrestlers and set the expectations very high for them to follow in your footsteps. Remember everything in life is easier once you have wrestled. You will be missed!

Coach Jardin

Golfers we have had an excellent season together!

In golf, and in life as Tiger Woods said, "You've got to stay patient, stay in the moment, and keep grinding. You never know what can happen."

Just believe in yourself and hit em' straight. Good luck Class of 2023 ESHS Graduates!

Vanessa Cadena:

Although you only played lacrosse for 2 years, you've forever made an impact in our hearts. The speed at which you went from rookie to novice was outstanding and you were a force to be reckoned with on the field. Your spirit and energy always brought the team together and was dearly missed when you were absent.

NBOE CHAMPIONS 2022

#SENIORS 2023

The East Side Cross Country team will provide every student-athlete the opportunity to compete and better themselves academically and athletically while inspiring them to work toward leading physically, mentally, and emotionally healthy lives. Hundreds of runners from the Super Essex Conference schools line up at the starting line waiting for their race to start. Once the air horn is sounded, the cross country runners make their way towards the narrow path of the woods jostling for position to be near the top. The best runners pull ahead and once they emerge from the trail, they begin to surpass other runners in front of them while finding another gear to sprint to the finish line. Congratulations to the East Side girls' team who recently won their division!

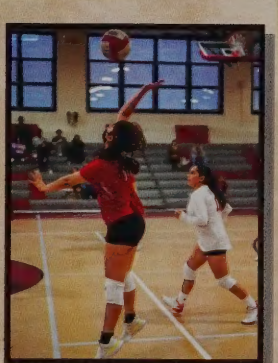
Would you ever consider coaching ?
I will consider coaching because it's really nice seeing how happy and passionate students are about improving and wanting to win something for themselves. It's also great to show people that you are teaching them new skills and a route to improve, as well as to give students desire and hope to play. - Jennifer Avila #4



How did this sport shape you as a person and how did it shape you for your future?
"The love for volleyball is not only to play for yourself but to play with others. When playing volleyball you learn to be a teammate and communicate with your team to win the point. Volleyball has shaped me to be aware of my surroundings and to learn not to play individually when playing in the future. In the future I look forward to not only using these skills with volleyball but in the real world. To be able to work as a team is something volleyball not only taught me, but taught everyone! Newark East Side defeats Shabazz
Apr. 03, 2023

Rodrigo Rodriguez tossed 3 1/3 scoreless innings of one-hit ball and struck out eight to help Newark East Side down Shabazz 2-1 in Newark.

Newark East Side took a 2-0 lead in the bottom of the fifth inning before Shabazz cut the deficit in half in the sixth. However, that was as far as it could get as Jasur Tillery and Antwan Ventura combined to secure the win.

Hector Rodriguez finished 1-3 with an RBI and a run for Newark East Side while Ventura went 1-2 with an RBI.

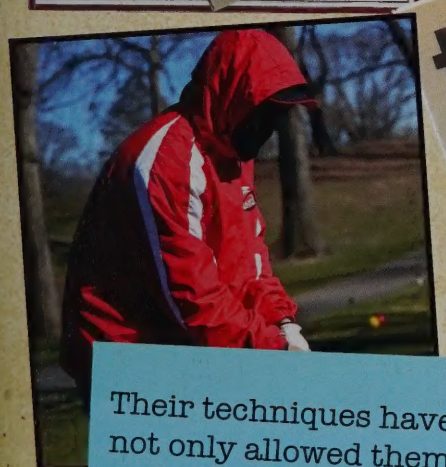
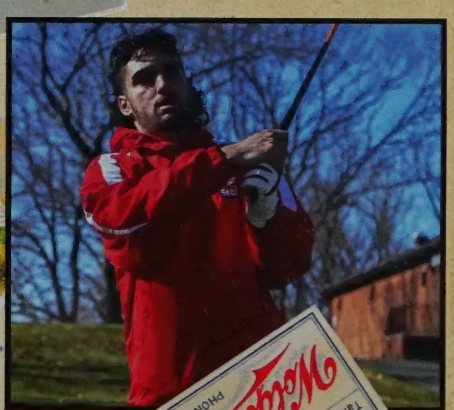
Golf is a wonderful sport and extracurricular activity found at East Side High School. The golf team always work hard and practice hard, thus giving them an old advantage on the green.





Their techniques have not only allowed them to reach many goals this year, but also allow them to attain more achievements in the future.

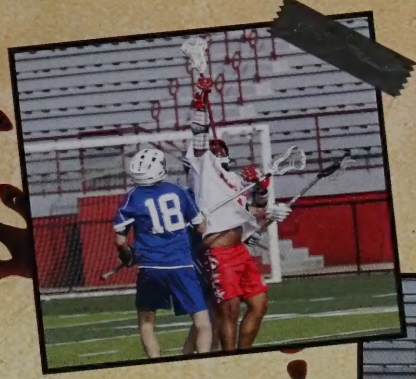
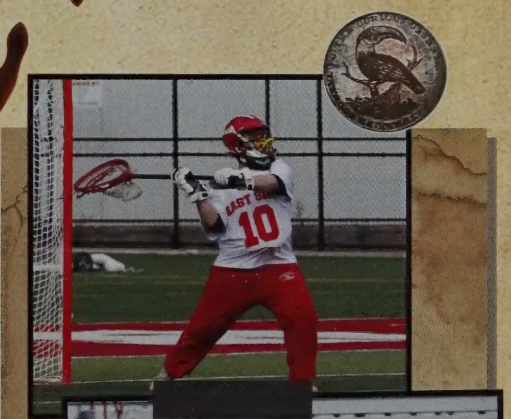
These Raiders have some of the best coaches, who work with them to make sure they are in top tier shape and have their eyes on the prize.





East Side High School's Lacrosse Team is one of the best in the area. They are well-oiled machines that work so well together to secure wins in the ESHS name. They practiced day in and day out, perfecting their plays every day after school.

Spring Season

The Red Raiders Girls Lacrosse Team is filled with a great number of hard working female students. Countless hours and rough practices - these girls are nonstop hard at work to get to the place they want to be in. This group of ladies knows how to work together to make their plays come to life. Their communication skills are what help them to succeed.

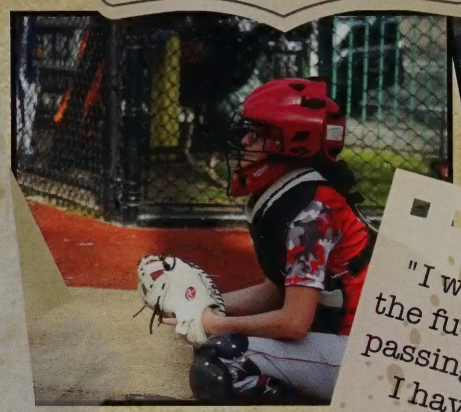
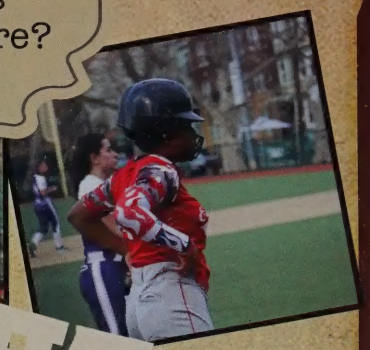
The East Side Softball program looks to be in a rebuilding year this season. The varsity team graduated two starting seniors this past spring and the team will have a completely different roster and a brand new look. This is Coach Capitani's 7th year as the Head Varsity Coach and he now has a new assistant. She is an East Side alum and former softball team captain, Alyssa Morales. The coaches and players certainly have their work cut out for them as the team took a horrible blow in the preseason when junior, starting pitcher, Lele Alvarez broke her right wrist and was sidelined for the entire season. However, with the leadership of Captains Laura Abreu and Alexa "Lefty" Ramos, the transition from the old squad to the new should prove to be exciting. The only other senior on the team is newcomer, Milly Rodriguez. The Lady Raiders are also especially excited this season as they take on the challenge of extending their City Championship streak to 7 in a row! 1-2-3 East Side, 4-5-6 Family!

Would you ever consider coaching softball in your future?





"I would love to coach in the future because I will be passing down the love that I have for softball and shaping young girls' minds."

- Laura Abreu

Putting in hours of work, day after day, they continue to grow stronger and better. With Coach Marques guiding them, our team is in great hands. They are taught patience, coordination, and teamwork skills. These students are a close knit team and never fail to support and cheer on their teammates. Whether they are on the court playing or practicing, these tennis players never have yet to see a dull moment.

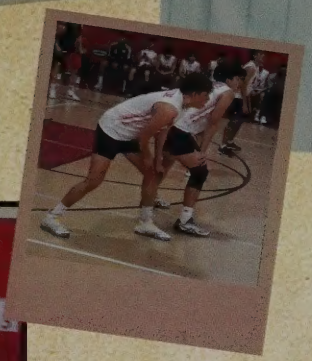
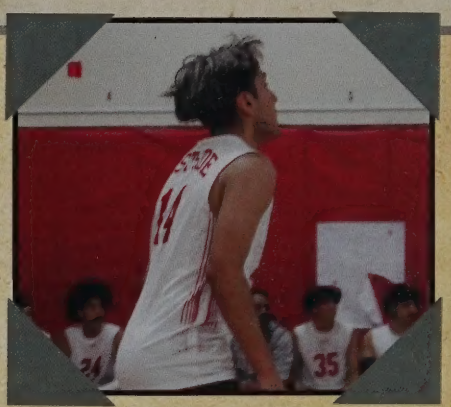
What will you miss the most about playing boy's volleyball?

"I will miss the funny and amazing moments I had with my teammates during volleyball season"
- Jeremy Hernandez



The boys passed the ball to each other, bumped, served, and spiked toward their wins, one of them being:

4/3 ESHS vs Payne Tech W 2-1



This year East Side High School's Boy's Volleyball team has had yet another phenomenal season. All season these boys have hustled and worked hard with one another to win multiple games.

IN A PICKLE

Best described as a combination of tennis, ping pong and badminton, the sport's USA Pickleball regulates organized competitions. Last year, pickleball edged out soccer as America's fastest growing sport with a 40% increase taking its participants to approximately 4.8 million players. Fifteen-year-old Anna Leigh Waters entered the record books as the youngest pickleball national champion, held the global number one singles ranking, and leveraged her accomplishments on the court to earn a net worth of more than $1 million. *Photo credit: Newscom*

EQUAL OPPORTUNITY

High school and collegiate sports programs marked the 50th anniversary of Title IX on June 23. Officially known as the Education Amendments Act of 1972, Title IX became landmark legislation which prohibited sex discrimination in educational programs with federal funding and increased the number of female sports participants. Governmental studies reported before the act, one in 24 girls played sports; however, in 2022, two in five girls played in organized sports programs. *Photo credit: Newscom*

ROOKIE HONORS

Off-court at the WNBA 3-Point and Skills Contest, Atlanta Dream guard Ryhne Howard watches other competitors during All-Star Saturday. Chicago's McCormick Place played host to All-Star Weekend for the first time, where Howard placed second with 24 points. Number one WNBA draft pick Howard received 53 of 56 votes from national sports journalists to win the Kia WNBA Rookie of the Year in August, becoming the second Dream player to win the prestigious honor. *Photo credit: Newscom*

Roster of Superior Merit

Aniello "Fred" Naporano & Frances Ann "Dolly" Vitolo

The 2023 Alumni Roster of Superior Merit couldn't go to a more deserving couple. Aniello "Fred" Naporano and Frances "Dolly" Vitolo Naporano have been involved and dedicated to this school well past their four years at East Side. Since the moment Fred first walked through the doors of this high school as a freshman in 1930, which happened to be 19 years after its inaugural year, he became a Red Raider for life. Two years after his 1934 graduation, it was Dolly's turn to navigate these halls. Her school spirit stayed with her beyond her 1940 graduation up to her passing in March 2023.

Despite their paths not crossing during their times at East Side, you could say their love story started in this building and flourished in the Ironbound. Fred, one of nine siblings, was friends with Dolly's older brothers. She herself was one of 12 but always stood out in a crowd, so it was not surprising that he was always captivated by her. The feeling was mutual, and Dolly was always mesmerized by his piercing blue eyes and boyish charm. So much so that she brought him to her senior prom.

Both were first generation Americans born to Italian immigrants. Each family valued education and wanted a better life for their children. After his graduation, Fred worked nearby at Naporano Steel and Metal, the business his father had started. Seven years later, when the United States entered World War II, he was drafted and sent to Asia where he saw action in Japan, the western Pacific, Luzon and the Philippines. For his courage, bravery and sacrifice after life-threatening injuries during battle and a 13-month recovery, he was given the Bronze Star and Purple Heart. Throughout his time away, Dolly was his motivation for a safe return.

The distance made their hearts grow fonder, and once he returned home, Down Neck was their haven, familiar and safe. Fred and Dolly married on December 8, 1946, around a year after he got back. Dolly continued to nurse him to good health, and then when he was able, he once again went to work for his family's business. As for her, she kept busy with some administrative roles including a stint in the attendance office of the Newark Board of Education.

Together they built a life together – one that they not only remained committed to each other but also to their beloved East Side. The Naporanos started to grow their family in the Ironbound. After raising two young daughters in Newark, they decided to move to the suburbs for more space and a backyard. In Union, two more daughters were born, making their family complete. In fact, instead of lullabies, the preferred songs of choice in their house were the Oliver Street School and the East Side alma maters. Regardless of their address, they would always say, "We are Down Neckers and Red Raiders."

Whenever East Side needed them, they were there eager to assist in any way they could. When the baseball team needed new uniforms; when the hockey team needed funds to go to Finland to compete in exhibition games, Dolly and Fred never hesitated to help. The Naporanos also sponsored a little league team in the Ironbound for thirty years. Their legacy will always be an integral part of East Side, and we are forever grateful for their devotion, dedication and contributions.

Honorary Roster of Superior Merit

Linda Naporano, Debbie Naporano
Teresa Naporano, Andrea Naporano

The apple didn't fall far from the tree when it came to Fred and Dolly Naporano's four daughters. Even though Linda Naporano (Petrillo), Teresa Naporano (Puliti), Debbie Naporano and Andrea Naporano (Galante) did not wear red and white as students, they were raised to love East Side and Down Neck. This innate adoration for their parents' high school led them all to Van Buren Street at some point in their careers as faculty and why they are the 2023 Honorary Roster of Superior Merit recipients.

Once all four graduated from their respective colleges, they all became a part of the East Side DNA. Linda taught basic skills English and writing as well as basic skills math. During her tenure, she also coached cheerleading. Any student at the time would remember her pizzazz and perfect glam. When seniors were required to pass the state test and meet state requirements, she was responsible for helping hundreds of East Siders graduate.

Teresa began her teaching career in the English department in 1972. At just 21, only a few years older than some students, she was nervous to step foot in the teacher's lounge and instead opted to hang out with Pepe, the security guard. She eventually mustered up the courage and fit right in. Always beating to the sound of her own drum, her classes were lively, and her lessons whether it be all levels of English or SAT prep resonated with her students. Cited by numerous graduates, she was the teacher who most inspired them and contributed to their successes at East Side and later in life. She saw the potential in each of her kids and encouraged them to aspire to greatness. The second oldest Naporano sister remained at East Side until 2000 when she moved over to Science Park High School. She retired in 2010 as the career/college counselor.

About a decade later, Debbie joined her older sisters at East Side. She started teaching math and history before moving into the guidance office. She never took this position for granted and became the advisor to the Student Council. She helped the students lead all school and community initiatives, and it quickly became the heart and soul of East Side. Together they helped build homes with Habitat for Humanity and fundraised for various charities and natural relief organizations. With her at the helm, they were also able to go to Washington, D.C. for President Obama's two inaugurations and traveled to some of the country's top universities, where many of her students ended up. In 2018, Ms. Naporano's peers nominated her to receive the Newark Teachers Union Member Recognition award. She may have retired in June 2021, but she has since made her way back to the school as a substitute teacher and continues to assist the students in achieving their goals.

Speaking of subbing, the youngest Naporano daughter followed in her sisters' footsteps… for a brief period. Andrea didn't quite get the teaching bug, but she did serve for several years as a substitute teacher. The jokester of the family, we are sure those days were never boring. Regardless of the length of time at East Side, the Naporano women have selflessly given themselves to education and the Red Raiders. You may even spot them in the stands at the next game!

Dear graduating class of 2023,

Congratulations! We have reached a significant milestone, and I am delighted to share your achievement. Although these past four years have been like a roller coaster ride full of highs and lows, I want to offer some encouragement as we embark on the next journey. First of all, be proud of yourself. We have put lots of effort into getting here, and now tenacity and commitment have finally paid off.

Moving forward, remember that life is full of opportunities and challenges. Embrace each opportunity that comes your way and don't be afraid to take risks. Let us take each challenge as an opportunity to integrate growth and knowledge into ourselves. Finally, remember to always stay true to yourself and your values. Always follow your heart and pursue your passions, and you'll find success and happiness. Once again, congratulations on our graduation. I wish you all the best as we start this new chapter in our life.

Sincerely,
Rhosanna Martinez

Congratulations to the class of 2023!

It is both an honor and a privilege to graduate with each and every one of you. I witnessed incredible talent, strength, and perseverance in this class, and your accomplishments in school and your contributions to your community should be acknowledged. We overcame many challenges, such as the COVID-19 pandemic, to reach this point in our lives.

During the pandemic, we switched learning environments from in-person to remote - online learning and multitasked between attending classes, completing assignments, and maintaining our health. The pandemic was our biggest challenge, but it won't be our last. You will continue to be pushed, pressured, and tested going forward with your life, but don't burn out even so. The class of 2023 is like fire, with each individual as the burning flames. Like the burning flames, you are not a destructive force but a force of nature that provides light, warmth, and creation. Your presence, your flame, can light the flames of many around you - just as you lit my flame. Once again, congratulations on graduating class of 2023, and continue to be the flame that burns brightly and spreads warmth to everyone you meet.

Sincerely
Heidi Ajila

To the class of 2023,

Despite having lost two years of high school experiences, you have persevered through the most challenging times our generation has been through. Not only did you survive a worldwide pandemic that changed the lives of everyone, but you also managed to grow up and finally graduate high school. We hope you take what you have learned during this little time as a high school student and continue to succeed in life the way you have these past years.

Not only have you made all of those around you proud family, educators, peers, and friends, but we hope that you are proud of yourself and the person you have become. We want to remind you that you are strong and more than capable of doing anything you set your mind to because your time in the pandemic has proved this. No matter what path you choose to go down, know that you will always do great. May you always conquer the obstacles that life throws at you the way that you have shown you can. In the end, we are proud of all you have accomplished and know that you will do even better than you have now.

Don't forget that the East Side family will always have your back. We hope that you will always cherish the memories East Side gave you while Daring to be Great.

With Love,
Your Senior Advisors

In Loving Memory

Officer Barbosa

May 14th 1993 - October 28 2022

Ricardo was born at Columbus Hospital in Newark, NJ. He attended St. Francis Xavier School and played baseball for St. Francis Little League. In 2004, the Barbosa family moved to Belleville, NJ. In 2006, he earned his Black Belt in Karate (Shotokan). He graduated from Belleville High School in 2011. He earned his Bachelor of Science in Psychology from William Paterson University, during which time he was published in the American Psychology Association Journal.

In July 2016, Ricardo graduated from the 122nd Newark Police recruitment class 1648 of the Passaic County Police Academy. He was a member of the Newark Police Department 3rd Precinct and faithfully served as Community and School Resource Officer for the greater Ironbound. During his career, Officer Barbosa worked extensively with the Newark Boys and Girls Club of the Ironbound and founded a chess club for their students. He was passionate about working with at-risk youth, feeding the homeless, and improving Newark through community-based events.

On October 30, 2020, Ricardo married Shelby Ley (Diaz), and together they had two dogs, Chewadore Woofsevelt and Teddy Bear Woofsevelt Barbosa.

EAST WARD COUNCIL MEMBER

I'd like to congratulate the East Side High School students, teachers, parents, and administrative staff. As a councilman, I am proud of your school. East Side's cultural richness represents the best of our neighborhood and city, but I'm even more proud of you all. Each of you is a symbol of our hope. How you deal with the challenges of the future is a true-life lesson. You are the source of pride in our community. Your perseverance and upbeat attitude benefit our future, a prosperous and bright future!

Young people are the essence of actions. I see the ability to excel in each of you. I had the honor of speaking at the East Side High School graduation ceremony last year. That day, I was overjoyed and remembered my student days and dreams. How crucial is it to believe? I am grateful for your generosity at this critical juncture in your life. Your contagious energy. Your ability to accomplish a lot with little. Yes, you are an excellent example.

I'd like to thank you for everything you represent to me. To the Ironbound. To our City. To our Country. As John Maxwell said, "True success comes only when every generation continues to develop the next generation."
Thank you for being who you are, and keep in mind that the future was, is, and always will be yours!

CONGRATULATIONS TO THE CLASS OF 2023

Dear Graduating Senior Class,

Congratulations on reaching this incredible milestone! You have worked hard, persevered, and shown remarkable dedication to get to this point.

As you move forward into the next phase of your lives, I encourage you to remember the lessons you have learned and the friendships you have made during your time in high school. Cherish these memories, but also embrace the exciting opportunities and challenges that lie ahead.You are all capable of achieving great things, and I have no doubt that you will make a positive impact on the world around you.

Once again, congratulations on this amazing achievement. You have all worked hard and deserve to celebrate your success. Best of luck to you all in your future endeavors!

Sincerely,
Angel L.
